18	Message Charges	-	-	-	-	-	-	-
19	Worksheet	-	-	-	-	-	-	-

Dear Parents,

Our school currently provides facilities and activities such as Educational Tours, Karate, Dance, Music, Computer Lab, AI Learning, Summer Camp, Picnic, Annual Function, Extra Classes, Smart Classes, preparation for Sainik School and Navodaya entrance examinations, Worksheets, and Books for Needy Students.

It is important to clarify that arranging and managing these facilities and activities is not part of the school's basic academic responsibilities. Normally, separate fees are charged for such additional facilities and activities. It is also clarified that the charges for these additional facilities and activities are not included in the tuition fee and are generally collected separately. However, at present, our school is not charging any separate fee for these arrangements.

The school is trying to manage all these facilities and activities at its own level through the Annual Maintenance Fee of only ₹2,500 and the Examination Fee.

Further, it is clarified that the Maintenance Fee is meant for the maintenance and upkeep of the school building, furniture, and other essential infrastructure facilities. In addition, expenses such as electricity bills and water bills are also borne by the school and are not included as part of the Maintenance Fee.

We hope that parents will understand and appreciate the efforts and initiatives being taken by the school for the overall development and welfare of the students.

Thank you.

Mrs. Bharti Bajpai
